A new urban concept at Casino Café de Paris

Monte-Carlo Société des Bains de Mer is always coming up with new ideas and now offers an exclusive experience in the new Casino Café de Paris, open 24/7.

Seen as one of the key venues on Place du Casino, the Casino Café de Paris is getting a new and bold look with the latest technologies and state-of-the-art machines to bring the iconic experience of Monte-Carlo games to life.

In an elegant and modern décor featuring symmetrical, geometrical and futuristic shapes in modest matt tones, Casino Café de Paris offers an innovative and unrivalled range in the field of high-end gaming.

Striving for excellence and quality, the project to enhance Casino Café de Paris with a new exclusive gaming terrace with a breathtaking view of the sea and the Riviera gardens, an urban designed bar, a modern gourmet restaurant and nearly 500 slot machines completes the unique Monte-Carlo offering.

Eric Cicéro, Director of the Casino Café de Paris, congratulates himself on "conducting this dynamic renovation project which is in keeping with the values of Monte-Carlo Société des Bains de Mer, which advocates excellence and anticipates the expectations of a demanding clientele seeking for sensations and passionate about the gaming universe. The goal of this project is to upgrade the site so that this exceptional concept in the heart of Monte-Carlo can rediscover its historical role in the economic and cultural development of Monaco".

With its new design, Casino Café de Paris promises to be the new "place to be" on Place du Casino. Close to the luxury boutiques and Brasserie Café de Paris, the venue cannot be missed when it comes to trying one's luck.
